

Entrance Matting

A few of examples of entrance mats. We can supply carpet rubber backed or purely rubber mats to sit at the point of entry to your establishment & reduce the amount of dirt entering your premises. Most of the rubber matting in this brochure will act as an entrance mat, but if you have lots of dirt coming in then a more specific product such as the ones above may be more suitable. Please call us with more exact details & sizes.

Mat sizes:-Various.

Colours:- Various
